Hi Steven and Matt – I’m certain you’re pleased that things are back up and running. Given that, Indianapolis Power & Light (“IPL”) would like to see if we could reschedule the meeting regarding the beneficial use of CCR for purposes of closure that was originally scheduled for earlier this month. A copy of the earlier IPL letter detailing this issue is attached.

IPL representatives are available **between Monday, March 4 through Thursday, March 7** to travel to Washington to meet with you on this subject. Please let me know if there is time during this time period that works on your end.

Regards, Doug Green
